

# This is the Time to Tell Your Friends and Neighbors About the NIA

Dear current & future members, we ask that you tell your friends and neighbors about the NIA! Tell them that being an NIA member entitles them to our newsletters that are filled with the month's social activities and community news. Tell them about our Starkweather community house, the beautiful 42 acre property with 5 Pennies Playground, Frog Pond, baseball fields and walking trails available for our members to enjoy. The NIA is SOLELY FUNDED through membership dues and private donations. Your financial support is crucial to our on-going success. We look forward to your support by joining and enjoying the NIA for 2012.

## **Membership Year: January 2012 – December 31, 2012**
